

BPP/S.1/SP/22/Vol.IV/532

August 01, 2022

The Vice Chancellor,
Federal University of Technology,
Minna,
Niger State.

**REQUEST FOR CERTIFICATE OF "NO OBJECTION" TO ADOPT
SELECTIVE TENDERING FOR THE PROCUREMENT OF SPECIALIZED
LABORATORY RESEARCH EQUIPMENT, PROJECT VEHICLES AND
ACEMFS SECRETARIAT PROJECT FOR THE UNIVERSITY'S WORLD
BANK SPONSORED SECOND AFRICAN HIGHER EDUCATION CENTRE
OF EXCELLENCE PROJECT**

This is to refer to the Federal University of Technology, Minna's (FUTM) letter Ref. No. EXT/VC/308 dated July 4, 2022 which requested for issuance of Due Process "No Objection" to adopt Restricted/Selective Tendering Method for the Procurement of Specialized Laboratory Research Equipment, Project Vehicles and Construction of Africa Centre of Excellence for Mycotoxin and Food Safety (ACEMFS) Secretariat under the World Bank Sponsored Second African Higher Education Centre of Excellence Project.

2. In the letter under reference, the Federal University of Technology, Minna's stated as follows:

a) "Background"

The Africa Center of Excellence (ACE 1) Project was instituted in 2013 by the Governments of Nigeria, Ghana, Benin Republic, Togo, Burkina Faso, Cameroun and Senegal with support from the World Bank, to promote regional specialization amongst participating universities in the West and Central Africa sub-region within disciplines that address particular common regional challenges. However, the 2nd Africa Higher Education Center of Excellence (ACE IMPACT) Project was launched to consolidate on the gains of ACE 1, and it saw the emergence of new players like Niger, Guinea and Togo (all from West Africa) and Djibouti (from East Africa). The objectives of ACE Impact included to improve on the quantity of students enrolled in postgraduate programmes and improve on the quality of postgraduate programmes such that students can acquire the necessary theoretical knowledge and applied skills upon graduating. The project also aimed at improving the development impact of postgraduate education in selected universities, through regional specification, such that the knowledge from research and skills acquired by graduates will be able to directly address the development challenges in the regions.

The Federal Government of Nigeria (FGN) and the International Development Agency (IDA) of the World Bank (WB) entered into a credit agreement (Credit Number 6510NG) to finance the ACE Impact project. To implement the project, the Government of Nigeria has secured US\$115 million, with the World Bank contributing \$75 million and the French Development Agency (AFD) providing \$40 million for the 17 ACE Impact Centres and the NUC. The National ACE Project Coordination Unit (NAPCU) domiciled at the National Universities Commission (NUC) is responsible for the national project facilitation, training, and supervision in fiduciary aspects as well as national Monitoring and Evaluation (M&E) and minor Technical Assistance (TA) in Nigeria.

To this end, the **Africa Centre of Excellence for Mycotoxin and Food Safety (ACEMFS)**, domiciled at the **Federal University of Technology, Minna** is responsible to build capacity within West Africa's tertiary educational system for implementing high quality training and applied research.

b) World Bank Funded Project: 1\$ Equal to ₦410

The World Bank had approved the sum of \$226,000.00 (₦92,426,000) for Project Vehicle, \$1,246,594), (₦511,103,282.26), for Research Equipment, \$802,106.00 (₦328,863,623.75) for ACEMFS Secretariat that would include dedicated lecture halls, conference rooms, laboratory space and staff offices for the ACEMFS project. Furthermore, it is imperative to add that the World Bank will be coming for Mid Term review Visitation/Inspection and commissioning of the building complex in November, 2022 and all these should be put in place before the scheduled Visit. This also will enable the Centre commence teaching activities for the 2021/2022 batch of students admitted by the African Centre of Excellence for Mycotoxin and Food Safety (ACEMFS) at the University. The allocated building complex for the ACEMFS project funded by the World Bank is presently not conducive and adequately equipped to house the growing activities of the project and thus, need to be constructed and equipped to accommodate the increasing number of students' intake and research work. The equipment and construction of the project building which forms part of the entire ACEMFS building project would alleviate the shortages currently affecting the growth and objectives of the establishment of the Centre and would boost excellence in ACEMFS at the Centre and the country in general.

c) Justification for Selective Tendering/Direct Sourcing from Manufacturers

Considering the essence of time in these procurements in which if advertised could cause delay and the fund could be taken back by the sponsor (World Bank) due to lack of fund utilization by the Centre, the University wishes to adopt the selective tendering method in engaging competent vendors to execute these projects.

Given the fact that the project is result based, hence money can only be earned when disbursement Link Indicators (DLIs) are met and achieved, the World Bank may decline further funding of the project if the Centre is not meeting the Disbursement Linked Indicators (DLI) for which the project was conceived. Therefore, it has become imperative to adopt the Selective Tendering procedure for the University to meet the DLI and in line with the provision of Section 40 (b & C) of the Public Procurement Act 2007.

Also, due to the Covid 19 Pandemic which has been ravaging the world over thus, gathering of persons and representatives of companies to the bid opening exercise would not be a good idea if we must avoid close contact.

d) Justification for the use of Selective Tendering for acquiring research equipment using Representatives/Agents from manufacturers of Research Equipment.

Their authorized agents or dealers that represent these products within Nigeria and our experience procuring such specialized equipment from general contractors have been quite unpleasant, as a large percentage of these equipment procured either become not operational or malfunction. The equipment to be procured are specialized laboratory and research equipment that will help the center commence full research and laboratory activities. These equipment as revealed by our extensive research are among the best in their respective categories and we are convinced that no other like equipment available for purchase that would serve the same purpose or function, coupled with the fact that we are getting the factory prices as well as academic discount, as well as training and round the clock technical support.

Considering the time scheduled for the World Bank's Mid Term review visit in November, 2022 to the Centre, and the specialized nature of these procurement, adopting open competitive tendering at this point will be counter-productive to the center and may automatically lead to risk of withdrawing the money earmarked for this procurement by the World Bank. For these

reasons, the University is appealing to you to use your good office to approve the adoption of selective tendering method for the construction and specialized research equipment as an exception rather than the norm in line with the provision of section 40 1(c) of the public procurement act 2007 using the original Equipment Manufacturer Authorized representatives. The Project will be funded from World Bank Support Fund. Attached is the Performance and Funding Agreement between the National Universities Commission and Federal University of Technology, Minna with funding from the International Development Association (IDA).

e) **Knowledge and Cognate Experience:** It is imperative that competent firms with cognate experience and good track records are chosen. The shortlisted companies for the procurement of vehicle for the Centre are Authorized Major and frontline dealers of Toyota vehicles, representatives of equipment manufacturers, and construction firms in Nigeria to be engaged to deliver in terms of quality and timing while also offering competitive price so as to obtain value for money. The University has identified some companies that have previous business with Federal Government of Nigeria which provides the advantage of having adequate knowledge of the assignment and has proven speedy completion of the projects while ensuring quality. The companies that meet up with the requirement of the provisions of section 16(6)(d) of the PPA, 2007 that can do business with Federal Government of Nigeria to effectively carry out the implementation of these projects are as detailed below.

PROCUREMENT / INSTALLATIONS OF RESEARCH AND LABORATORY EQUIPMENT		COMPANY NAME/ADDRESS	
PROJECT TITLE	LOT No		
Procurement/Installations of Ultra-High Performance Liquid Chromatography and Immuno-affinity column for Mycotoxin	1	i.	Katchey Company Ltd
		ii.	Arcisoph Ltd
		iii.	Fonsots Global Services
		iv.	Tominent Global Ltd
		v.	Daciotech Ltd
Procurement/Installations of Inductively Coupled Plasma Atomic Emission Spectroscope (ICPOES)	2	i.	Katchey Company Ltd
		ii.	Arcisoph Ltd
		iii.	Fonsots Global Services
		iv.	Tominent Global Ltd
		v.	Daciotech Ltd
Procurement/Installations of Gas Chromatograph	3	i.	Katchey Company Ltd
		ii.	Arcisoph Ltd
		iii.	Fonsots Global Services
		iv.	Tominent Global Ltd

ACEMFS SECRETARIAT BUILDING		iv. Kojo Motors Ltd v. INEH-MIC Automobile Co. Ltd vi. Presidential Autos Ltd.
PROJECT TITLE		
ACEMFS Secretariat Complex (Offices, Laboratories, Class rooms, Conference halls, Library Conveniences etc.)	LOT No 9	COMPANY NAME/ADDRESS i. Mehadi Services and Resources ii. Yukas and Sons Ventures iii. Green Shed Nig. Ltd iv. Plenum Space Ltd v. Tripple Bullet Services Nig. Ltd

f) Proposal and Profile

Please find attached profiles of the companies upon which Certificate of "No Objection" for Selective Tendering is sought alongside the following supporting documents for ease of reference:

- Memorandum of Understanding between National Universities Commission (NUC) and Federal University of Technology, Minna (FUTMIN);
- The Center's approved and cleared work plan and procurement plan;
- The Funding/Loan Agreement;
- The World Bank Mid-Term Review Visitation in March 2022; and
- Project Appraisal Document (PAD) "

3. The Bureau has carefully reviewed the Federal University of Technology (FUT), Minna's submission and noted that:

- i. The Federal Government of Nigeria (FGN) and the International Development Agency (IDA) of the World Bank (WB) entered into a credit agreement to finance the Africa Center of Excellence (ACE) Impact project;
- ii. The Africa Centre of Excellence for Mycotoxin and Food Safety (ACEMFS), domiciled at the Federal University of Technology, Minna is responsible to build capacity within West Africa's tertiary educational system for implementing high quality training and applied research;
- iii. The allocated building complex for the ACEMFS project in FUT, Minna funded by the World Bank is presently not conducive and inadequately equipped to house the growing activities of the project; thus, the need to construct and equip a new building that will accommodate the increasing number of students' intake and research work;
- iv. The World Bank approved a total sum of \$2,274,700.00 equivalent to ₦932,627,000.00 at the exchange rate of US\$1 = ₦410.00 for the Projects;
- v. The World Bank will be coming for Mid Term review visitation/inspection and commissioning of the building complex in November, 2022 and all these should be put in place before the scheduled Visit; and
- vi. Delay in the projects implementation could result in withdrawal of the fund by the World Bank due to lack of fund utilization by the Centre.

4. The Bureau notes that the University intends to adopt Restricted/Selective Tendering Method to fast track the procurement of the University's World Bank Sponsored Second African Higher Education Centre of Excellence Projects in order to enable the Centre meet the World Bank's

8. The University shortlisted the authorized agents/representatives of the Original Equipment Manufacturers for the procurement of Laboratory Equipment and Vehicles. This is in line with the Federal Government Policy on procurement of equipment from Original Equipment Manufacturers (OEMs)

for their accredited dealers in order for Federal Government to achieve
 e for money and cost efficiency. The Bureau however observed that the
 iversity appears to be recycling the bidders in the lots 1,2,3,4,5,6&7. This
 not enhance effective competition and cannot therefore be upheld by the
 reau. **The University should in a non-discriminatory manner short-list
 ditional unrelated bidders that possess the requisite technical and financial
 pacities in line with Section 16(6) of PPA, 2007 and are eligible to do business
 ith Government to participate in the procurement proceedings and ensure that
 o bidder is permitted to submit bid for more than a single lot.**

The Bureau notes that Section 23 (1) of the PPA, 2007 places the
 responsibility to set out prequalification criteria strictly on the procuring entity.
**The University shall therefore take full responsibility and evaluate the profiles of
 the firms to ensure that they possess the requisite technical and financial
 capabilities for such projects and are eligible to do business with Government in
 line with Section 16(6) of the Public Procurement Act, 2007.**

10. The University did not provide the In-House Estimates/Budget for the
 Projects. **The University should be guided by the SGF's Circular Ref. No.
 PROC/OSGF/BPP/709/85 dated 19th January 2021 on the revised monetary
 threshold service wide, and ensure that the projects whose In-House
 Estimate/Budget is less than ₦20 Million for Goods and Non-Consultant Services
 and ₦30million for works should be treated using Request for Quotation (RFQ) in
 line with the provision of Section 41 (1) of PPA 2007 by requesting for quotations
 from at least three (3) unrelated contractors or suppliers.**

11. The University should adopt Open Competitive Bidding for the
 Construction of ACEMFS Secretariat Building Complex in line with Section 25
 (2)(ii) of the Public Procurement Act, 2007.

12. In view of the above, Due Process "No Objection" **cannot be** granted to
 the Federal University of Technology, Minna, to adopt Restricted/Selective
 Tendering Method for the World Bank Sponsored Second African Higher
 Education Centre of Excellence for the Nine (9) Projects listed in the Table
 below:

LOT	PROJECT TITLE
1	Procurement and Installations of Ultra-High Performance Liquid Chromatography and Immuno-affinity column for Mycotoxin
2	Procurement and Installations of Inductively Coupled Plasma Atomic Emission Spectroscope (ICPOES)
3	Procurement and Installations of Gas Chromatograph
4	Procurement and Installations of Mass Spectrophotometer
5	Procurement and Installations of Real-Time PCR Machine
6	Procurement and Installations of DNA Sequencer
7	Procurement and Installations of Mycotoxin Kits, laboratory water system
8	Procurement of Project Vehicles
9	Construction of ACEMFS Secretariat Building Complex

13. However, on the strength of the submission by the University, Due
 Process "No Objection" **can be** granted to the Federal University of Technology,

Minna, to adopt Restricted/Selective Tendering Method using the Original Equipment Manufacturers/their Authorized Representatives for the Eight (8) Projects listed in the Table below:

LOT	PROJECT TITLE
1	Procurement and Installations of Ultra-High Performance Liquid Chromatography and Immuno-affinity column for Mycotoxin
2	Procurement and Installations of Inductively Coupled Plasma Atomic Emission Spectroscopy (ICP-AES)
3	Procurement and Installations of Gas Chromatograph
4	Procurement and Installations of Mass Spectrophotometer
5	Procurement and Installations of Real-Time PCR Machine
6	Procurement and Installations of DNA Sequencer
7	Procurement and Installations of Mycotoxin Kits, laboratory water system
8	Procurement of Project Vehicles

14. This Due Process "No Objection" is granted on the conditions that:
- a) The University shall shortlist in a non-discriminatory manner additional authorised Manufacturers Representatives that possess the requisite technical and financial capacities in line with Section 16(6) of PPA, 2007 and are eligible to do business with Government to participate in the respective Lots;
 - b) a minimum of five (5) responsive and unrelated firms shall be invited to compete;
 - c) projects whose In-House Estimate/Budget is less than ₦20 Million for Goods and Non-Consultant Services and ₦30million for works should be treated using Request for Quotation (RFQ) in line with the provision of Section 41 (1) of PPA 2007 by requesting for quotations from at least three (3) unrelated contractors or suppliers;
 - d) the relevant standard bidding documents are issued to the responsive firms to compete;
 - e) price competitiveness shall form the sole basis for the recommendation of the least evaluated responsive bidder to ensure that Government derives best value for money for the procurement;
 - f) the relevant Tenders Board shall approve the award of these Contracts in line with the SGF's Circular on Approved Revised Thresholds for Service Wide Application of January 19, 2022;
 - g) Due diligence shall be conducted on the recommended bidders before award of the Contracts; and
 - h) All documents pertaining to these procurements shall be kept properly for future procurement audit to be conducted by the Bureau.

15. Please accept the assurances of my highest consideration and best regards.

1.0	Opening The meeting commenced at 10:00am.	1	
2.0	Chairman's Opening Remarks The Chairman welcomed members present at the meeting. He requested the invited guest to introduce them self and thereafter, he directed the Procurement Officer to introduce the available project.	2	
3.0	Bid Opening The Procurement Officer stated that the meeting was for the Bid opening for the Grant for the Procurement Laboratory Equipmen (Lots 1-7) and Utility Vehicle (Lot 8) for ACEMFS. He further advised bidders/representatives to follow the normal process of signing the attendance registers accordingly.	3	
3.1	Thereafter, the Chairman directed the Procurement Officer to go ahead to open the bid Box and announce the Contractors quotation and proposed completion periods. This was done and recorded accordingly in the tables below: TABLE 1 PROCUREMENT AND INSTALLATION OF UHDLIC FOR AFRICA CENTRE OF EXCELLENCE MYCOTOXIN AND FOOD SEFTY (ACEMFS). (LOT 1)	4

i.	Members of evaluation Committee	
ii.	Attendance list at Bid opening	

1.0 INTRODUCTION

The job entails

- i. Procurement and installation of various laboratory research equipment (Lots 1 – 7)
- ii. Procurement of two number field vehicles (30 seat capacity, 2.7Ltr engine student bus and a saloon 5 seat capacity, 1.8Ltr engine car).

1.1 PURPOSE OF THE REPORT

The purpose of this report is to

- i. Intimate the University Management with the results of the evaluation and analysis conducted on the tenders.
- ii To recommend the most suitable and favourable bid which has satisfied the statutory criteria for the award.
- iii. To recommend favourable conditions necessary for the successful execution of the project within recommended tender sum and delivery period.

1.2. TENDERING PROCEDURE

A conditional No-Objection approval was given by BPP for selective tendering for the procurement of Laboratory equipment and field vehicles directly from the manufacturers or their registered distributors. The items in question been a specialised equipment, the distributors with Manufacturer Authorisation were very few and as such the available few were all invited to submit tenders on all the lots. Likewise, the available contractors with manufacturer Authorisations were also invited to tender for the supply as presented below:

Invited contractors for Lots 1-7 are:

1. Messrs Arcisoph Ltd
2. Messrs Beacon Creative Ideas Ltd
3. Messrs Daciotech Systems Ltd
4. Messrs Erotech Engineering services Ltd
5. Messrs Fonsots Global Services Ltd
6. Messrs Foxtrot O&G Nig. Ltd
7. Messrs Katchey Company Ltd
8. Messrs Tominent Global Ltd

1.3. OPENING OF TENDERS.

The bids were opened on Monday, 8th August, 2022 in the Senate chambers at about 12noon in the presence of Procurement Planning Committee members, the representatives of the NGO and Professional Bodies, University Anti-Corruption and Transparency Unit (ACTU), members of the University community and the contractors present.

2.0 PRELIMINARY EXAMINATION OF TENDERS

2.1.0 TABLE 1: PRELIMINARY EXAMINATION OF TENDERS

2.1.1 VERIFICATION

- a. Evidence of registration with Corporate Affairs Commission (CAC) by inclusion of certificate of incorporation and Article of Association.
- b. Evidence of Registration with BPP by attaching the Interim Registration Report valid till 2021.
- c. Evidence of valid Tax Clearance Certificate from (2019 - 2021) corresponding with declared Annual Turnovers of not less than N90, 000,000:00k by inclusion of photocopy.
- d. Evidence of Compliance with Pensions Reform Act, 2004 by inclusion of Compliance Certificate from the National Pension Commission.
- e. Evidence of compliance with the Industrial Training Fund Amendment Act, 2011 by inclusion of Compliance Certificate from the Industrial Training Fund
- f. Evidence of compliance with the National Social Insurance Trust Fund (NSITF) by inclusion of Certificate of compliance.
- g. Sworn affidavit that none of the Company directors has been convicted in any country.
- h. Sworn affidavit indicating that all documents submitted are genuine and verifiable.

2.1.1 ELIGIBILITY

- a. Tenderer legal name and address in their country of origin/registration.
- b. Tenderer letter headed with company RC number and company directors
- c. Company's Audited Financial Accounts for the last three years (2019 - 2021)
- d. Evidence of experience in at least three (3) jobs of similar nature and magnitude executed within the last five years with verifiable letters of contract award and certificates of job completion.
- e. Evidence of financial capability or credit facility from reputable bank and bank support
